

Nopalito Catered Events

Thanks for considering Nopalito for your next celebration!

We're always happy to discuss menus and plans in detail and provide a custom proposal, but the following menus & pricing may prove helpful as you consider catering options. Please also check out the FAQs on the catering page.

We offer many types of service for events, which may be used in combination:

- Colorful & delicious passed appetizers, which are typically 1-2 bites
- Appetizer stations, including small bites on platters, or heartier items like guacamole, salsa & chips or Totopos con Chile tossed to order
- Traditional buffet service
- A taco bar, in which a chef makes a variety of tacos to order along with other dishes, sides and salsas (a more interactive buffet style)
- Family style, in which each table is served a variety of dishes to share
- Late night snacks, dessert & coffee, served at a station or tableside
- Please note, we do not recommend individually plated meals as this style of service diminishes food quality and temperature

You can count on us to help develop your timeline & floor plan, coordinate rentals, and oversee foodservice setup & breakdown. We staff wonderful, professional servers, bartenders & cooks, many of whom you'll recognize from our restaurants.

We can also help with simple finishing touches (like setting flowers on tables or lighting candles), but do not provide support for: event design, lighting, transportation, decorations, booking other vendors, flowers or music.

With regards to our bar program, please note that while we welcome you to purchase your own beer, wine and liquor, we do have several policies in place to maintain a certain consistency & standard when we're pouring behind the bar:

- We can provide refreshing Nopalito beverages (margaritas, sangria, agua frescas, etc.) or a more expanded bar menu & other signature cocktails
- We work with many area breweries and can also source delicious local kegs
- We're happy to pour beer, wine & liquor you purchase, however you must let us provide all mixers and all agave-based liquors (tequila & mezcal)
- If you would like to make your own drinks similar to those we offer (tequila, mezcal, sangria or agua frescas), or if you prefer to provide your own liquor *and* mixers, we cannot provide you with bartending services. In this case, you're welcome to hire another vendor for bar service

Lastly, please remember as you consider these menus that we refresh dishes often to serve only the best each season has to offer. Menus reflect current offerings.

Menu prices subject to change, and do not include labor or rentals, which are unique to each event
A 15% production fee and 8.50% sales tax applies to all events
